SECTION 1. Section 5.19.040 is hereby amended to read as follows:

5.19.040 Deferred Compensation Contributions.

...

B. Supplemental Deferred Compensation Contributions. Effective as of January 1, 1992, and subject to the limitations of Section 5.19.060, a Participant may enter into an agreement with the County (on a form provided by the County or its Agent) to defer irrevocably a portion of his Compensation in addition to the amounts deferred under Section 5.19.040A. Such an agreement (1) shall only apply with respect to Compensation earned by the Participant for services rendered to the County on or after the first day of the calendar month following the execution of the agreement, and (2) shall remain in effect for a minimum of one calendar month. The agreement shall thereafter be effective until the Participant (1) ceases to be a Participant for purposes of this Section 5.19.040B, or (2) modifies or revokes such agreement as of the first day of any calendar month by written notice delivered to the County or its Agent at least 20 days before the first day of each month. Effective on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, an agreement to defer compensation may be made, modified or revoked on a semi-monthly basis, in accordance with procedures established by the Administrative Committee, with an

election made on or before the 15th of a month effective with respect to Compensation paid on or about the 15th of the next month, and an election made after the 15th, but before the last day of a month, effective with respect to Compensation paid on or about the 30th of the next month.

...

M. "Compensation" means base rate, as established in Title 6 of the Los Angeles County Code, as amended, plus any monthly bonus established as a designated number of schedules and/or levels in the Standardized Salary Schedule contained in such Title 6. Compensation shall not include any of the following:

...

Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, each reference to "monthly bonus" in this Section 5.25.020.M. shall be deemed to be a reference to "payroll period bonus."

...

Y. "Entry Date" means ~~the first day of each month~~ the 1st day of the month or the 16th day of the month.

Z. "Includible Compensation" means wages, within the meaning of Section 3401(a) of the Code (for purposes of income tax withholding) but determined without regard to any rules that limit the remuneration included in wages based on the nature or location of the employment or the services performed, paid to an Employee by the

County for services performed for the County. Includible Compensation also includes (i) any elective deferral (as defined in Code Section 402(g)(3)), such as Tax Deferred Contributions under the Savings Plan, (ii) any amount which is contributed to a plan sponsored by the County at the election of the Employee and which is not includible in gross income under Code Sections 125, 132(f)(4) or 457, and (iii) any amount that is not available in cash to an Employee under the Choices, Options, Flexible Benefit Plans or Mega-Flex Plans (or a successor plan) because the Employee is unable to certify that the Employee has other health coverage. In order to be taken into account as Includible Compensation, an item of compensation must be paid (or treated as paid) to the Participant prior to Separation from Employment, provided, however, the following types of post-employment payments are included within Includible Compensation if they are paid by the later of 2½ months after Separation from Employment or the end of the calendar year in which the Separation from Employment occurs: (i) payments that, absent a Separation from Employment, would have been paid to the Participant in the normal course of employment and are regular compensation for services during regular working hours or outside regular working hours (such as overtime or shift differential), bonuses or other similar compensation; and (ii) Termination Pay. Except as provided in Section 5.25.055, Includible Compensation shall not include any Settlement Award (as defined in Section 5.25.055). Any item of taxable income that is not included in this definition of Includible Compensation may not be deferred in accordance with a Participant's Participation Agreement. Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented,

Includible Compensation shall not include Nonelective Contributions (as that term is defined in Los Angeles County Code Sections 5.27.020, 5.28.020, 5.33.020 or 5.37.020, as applicable) unless those Nonelective Contributions are received by the Participant as a cash benefit under the Choices, Options, Flexible Benefit or Mega-Flex plans (in accordance with Los Angeles County Code Sections 5.27.050E, 5.28.050E, 5.33.050F or 5.37.050F, as applicable).

B. The Participation Agreement shall specify, as either a percentage or a dollar amount, the portion of Eligible Earnings to be deferred each ~~month~~ pay period pursuant to the Plan and contributed to the Plan; provided however, that, for any pay period, the Participant may not deduct from and defer any amount that: (i) would not be received as taxable cash but for the Participation Agreement; or (ii) would not constitute Eligible Earnings even if received as taxable cash. Moreover, the Participant's Eligible Earnings for each pay period will be reduced on a pre-tax basis in the following order: (i) first, any pre-tax contributions to the Los Angeles County Employee's Retirement Association; (ii) second, if the Participant participates in one of the flexible benefit plans under Chapters 5.27, 5.28, 5.33 or 5.37 of the County Code, by the amount of any contributions under such plans that otherwise would have constituted Eligible Earnings; (iii) third, if a Participant also participates in the Savings Plan, by the Tax Deferred Contributions to the Savings Plan; and (iv) fourth, by an amount to satisfy the Participant's Participation Agreement under Horizons Plan.

For these purposes, the "County" includes any entity the employees of which, together with employees of the County, are required to be treated as if they were employed by a single employer under Code Section 414(b), (c), (m) or (o) (taking into account any adjustment made pursuant to Code Section 415(h)), and any entity whose employees are treated as employees of the County under Code Section 414(n). Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, 415 Compensation shall not include Nonelective Contributions (as that term is defined in Los Angeles County Code Sections 5.27.020, 5.28.020, 5.33.020 or 5.37.020, as applicable) unless those Nonelective Contributions are received by the Participant as a

Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, the reference to "month" in this Section 5.26.110.A shall be deemed to be a reference to "payroll period" and the reference to "monthly Compensation" shall be deemed to be a reference to "Compensation for that payroll period."

...

SECTION 12. Section 5.26.120 is hereby amended to read as follows

5.26.120 Payments to Trustee.

Matching Contributions shall be paid to the Trustee in cash at least monthly and shall be based upon the amount of Tax Deferred Contributions made during the month for which such Matching Contributions are made. Any other provision herein to the contrary notwithstanding, if it appears to the Administrative Committee that the County will not be able to make Matching Contributions for a Plan Year or any part thereof because it appears there will not be sufficient Net Revenues, the County shall cease making Matching Contributions for such Plan Year on a monthly basis and shall make

Matching Contributions, if any, within 30 days after the amount, if any, of Net Revenues for such Plan Year is determined.

If the amount of Matching Contributions for a Plan Year exceeds the amount which may be contributed to the Plan in accordance with Section 5.26.110 (except in the case of a mistake of fact covered by Section 5.26.150B), to the extent permitted by applicable law, such excess Matching Contributions shall be forfeited, placed in a suspense account and applied in accordance with Section 5.26.338.

5.26.130 Allocation of Matching Contributions.

Matching Contributions shall be allocated and credited each month to the Matching Contributions Account of each Participant for whom Tax Deferred Contributions are made during such month, with each such Participant receiving a portion of the Matching Contributions equal to the amount calculated according to the provisions of Section 5.26.110. In the event that Matching Contributions are insufficient to provide each Participant with his fully allocated portion as provided in the preceding sentence, the Matching Contributions that are made shall be allocated proportionally to the Matching Contributions Account of each Participant in a manner consistent with

such sentence. Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, each reference to "month" in this Section 5.26.130 shall be deemed to be a reference to "payroll period."

SECTION 14. Section 5.26.171 is hereby amended to read as follows:

5.26.171 Application to Settlement Awards.

...

C. Matching Contributions.

...

4. Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, each reference to "month" in this Section 5.26.171.C shall be deemed to be a reference to "payroll period."

D. Prior-Year Settlement Period.

...

5. Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, each reference to "month" in this Section 5.26.171.D shall be deemed to be a reference to "payroll period."

...

SECTION 15. Section 5.27.040 is hereby amended to read as follows:

5.27.040 Contributions.

A. Nonelective Contributions. Except as otherwise provided herein, each month the County shall contribute to the Plan on behalf of each Participant an amount equal to the greater of \$809.00 or 10 percent of such Participant's Compensation for the preceding month beginning the 2009 Plan Year; provided, however, that no Nonelective Contribution shall be contributed for any Participant if he has not been in a pay status for at least eight hours during the prior month. Nonelective Contributions shall be reflected in County payroll warrants issued on or about the fifteenth day of the month following the month in which the requisite pay status was completed. Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, an advance of approximately one-half the monthly Nonelective Contributions received as additional Eligible Earnings in accordance with Section 5.27.050E shall be reflected in County payroll warrants issued on or about the thirtieth day of the month in which the requisite pay status was completed and the remainder of such additional Eligible Earnings shall be reflected in County payroll warrants issued on or about the fifteenth day of the month following the month in which the requisite pay status was completed.

B. Elective Contributions. Each Eligible Employee prior to commencing his participation in the Plan and each Participant prior to the beginning of a Plan Year may irrevocably elect to have an additional dollar amount contributed by the County during a Plan Year for each month that he participates in the Plan as an Elective Contribution, not to exceed his Eligible Earnings for such month, and to have his Eligible Earnings reduced each month by an amount equal to such Elective Contribution; provided,

however, that no Elective Contribution shall be contributed for any Participant if he has not been in a pay status for at least eight hours during the prior month. Such Elective Contribution on behalf of a Participant each month shall equal the amount necessary to fund the Taxable Benefits and/or Nontaxable Benefits chosen by such Participant pursuant to the election procedure set forth in Section 5.27.060, after first applying the Nonelective Contribution for such month to the cost of such Taxable Benefits and/or Nontaxable Benefits. In the event of contractual renegotiation, change in method of funding, or substitution of a Taxable Benefit and/or Nontaxable Benefit during a Plan Year, the County, without prior notice to Participants, may automatically adjust the Elective Contributions made for, and/or the Eligible Earnings paid to, Participants who have selected such Taxable Benefits and/or Nontaxable Benefits, in accordance with increases or decreases in the cost of the Taxable Benefits and/or Nontaxable Benefits. Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented, monthly Elective Contributions shall be apportioned over semi-monthly pay periods so that approximately one-half the monthly Elective Contributions shall be deducted from the Participant's Eligible Earnings as reflected in County payroll warrants issued on or about the thirtieth day of the month to which the Eligible Earnings relate and the remainder of the monthly Elective Contributions shall be deducted from the Participant's Eligible Earnings reflected in County payroll warrants issued on or about the fifteenth day of the following month.

...

SECTION 16. Section 5.27.050 is hereby amended to read as follows:

5.27.050 Benefits.

....

E. Cash Benefit. Any portion of a Nonelective Contribution made on behalf of a Participant which is not necessary to fund the Taxable Benefits and Nontaxable Benefits selected by the Participant shall be received by the Participant in the form of an increase in his Eligible Earnings for that month, with such amounts to be reflected in County payroll warrants as described in Section 5.27.040A; provided, however, that the total cash benefit provided by this Subdivision 1 shall not exceed the lesser of the following, whichever is applicable:

...

SECTION 17. Section 5.27.060 is hereby amended to read as follows:

5.27.060 Benefit election procedure and allocation of Contributions.

....

B. Deemed Elections. Any Eligible Employee who is enrolled in an insured health or welfare benefit program incorporated into the Plan as a Taxable Benefit or Nontaxable Benefit on the date his election form is due to be filed pursuant to subsection A of this section, or any Participant who in the current Plan Year receives one or more Taxable Benefits or Nontaxable Benefits who fails to make a timely election of Benefits for either initial participation or continued participation in the Plan, whichever is relevant, shall be deemed to have elected to receive the same type, and if applicable, the same amount, of Taxable Benefits and Nontaxable Benefits elected for the period preceding Plan participation or for the previous Plan Year except as otherwise provided in the Election Information. To the extent that the dollar value of the Nonelective

Contribution made on behalf of such Participant exceeds the cost of such Taxable Benefits and/or Nontaxable Benefits, the Participant shall receive the difference in additional monthly Eligible Earnings during the Plan Year except as otherwise provided in the Election Information. To the extent that the cost of such Taxable Benefits and/or Nontaxable Benefits exceeds the Nonelective Contributions, the Participant shall be deemed to have authorized the County to reduce his Eligible Earnings by such amount each month as may be necessary to cover the excess cost of such Taxable Benefits and/or Nontaxable Benefits, in accordance with the limit set forth in Section 5.27.040B. Any Eligible Employee or Participant who fails to submit the election form on or before the due date who was not so enrolled in an insured health or welfare benefit program shall be deemed to have elected to receive the entire amount of the Nonelective Contributions made on his behalf during the next Plan Year as additions to his Eligible Earnings each month during such Plan Year, except as otherwise provided in the Election Information. Effective beginning on and after April 1, 2010, or such later date as may be determined by the Chief Administrative Officer when the human resources management system reflecting this provision is implemented: 1) any additional monthly Eligible Earnings received due to a Participant's deemed election under this Section 5.27.060B shall be reflected in County payroll warrants as described in Section 5.27.040A, and 2) a Participant's deemed authorization to have his monthly Eligible Earnings reduced shall include an authorization to have such reduction apportioned over County payroll periods and warrants as described in Section 5.27.040B.
